

# WOIS/THE CAREER INFORMATION SYSTEM

## What People Say...

*WOIS is a model in customer responsiveness."*

*—community college counselor*

*"Overall, I found the program very helpful and easy to use. It has helped me to realize what I want to study, what college I would like to attend and what to expect when I start my career. I am happy to have found the job of my dreams and to have the resources of WOIS at my fingertips."*

*—student*

*Although we have access to other programs, WOIS remains the most widely used at our facility. It simply contains too much valuable information to use any other."*

*—career center specialist.*
